1981 MEN'S TENNIS GUIDE

PROSPECTUS

The Sea Gulls are a stronger team this year and possess more depth. Nine or ten players will readily rotate into the top six singles spots.

Number one player from the fall is Scott Wight. Close on his heels is last year's number one, Jim Schenk, plus Mike Jones, Sol Knopf, Robert Barnas and Ladd Layton.

Carl Brown, Pete Schenk, Steve Chalawsky and Carl Urian figure to see plenty of action as the season develops.

Bruce Fegely, Ken Oxford and Bill Rodrijuiez are dependable freshmen adding depth to the team.

"1980 was a disappointing season for the team in some respects, " said Coach Dean Burroughs. " Initially the season started with the frustration of having the first six matches snowed out. This was the annual southern trip which prepares the team physically and mentally for the remainder of the season."

In reviewing the season, Coach Burroughs said, "We were plagued uncharacteristically by inconsistency much of the season. We finished 8-7 on the year, but at times played brilliantly. Outstanding wins of the season were over the teams of Howard University and Mt. St. Mary's College. This year's squad possesses fine strength and depth that should return us as a national contender."

Coach Burroughs continues, "In addition to our depth, this year's doubles teams are the strongest we have had since 1977 when Terry Layton and Bill Hyle achieved all-American status. Our number one doubles team is Scott Wight and Jim Schenk and number two is Mike Jones and Robert Barnas. With their fast, aggressive style of play, Schenk and Wight have a realistic chance of winning the national doubles title and gaining all-American status."

The team is looking forward to a productive season and the opportunity to regain a national ranking after an off-season in 1980.

Last year's MVP, Ladd Layton is returning for his final year of eligibility. He graduated in June and has one year of eligibility remaining as he works toward a second degree. His 11-4 record led the team last year and his presence will add immeasurably to the strength of singles and doubles combinations.

COACHES

Dean Burroughs

Terry Van Layton

COACH DEAN BURROUGHS begins his 8th season at Salisbury State after another outstanding season last year. The Sea Gulls completed a fine 8-7 season in 1980 against strong competition. In seven years of coaching at SSC, Burroughs' efforts have produced nationally ranked teams, two all-Americans, three conference championships and an accumulative dual match record of 102-37. His teams have been selected to compete in five national tournaments the past six years.

Burroughs' teams are characteristically dedicated to performing to the best of their abilities. The SSC program excels by attracting individuals who thoroughly enjoy top athletic competition. Burroughs emphasizes the team concept of unity and allegiance and his players are quick to assume this belief. Participating in this atmosphere lends depth and character to the program and makes playing at SSC a satisfying experience.

This summer, Burroughs will again apply his tennis knowledge and energies to directing the SSC Tennis Center. The center offers tennis activities such as camps, leagues, tournaments, and clinics. The center is dedicated to promoting tennis locally and throughout the state. Burroughs' experience as a club professional, tennis camp director and chairman of tournaments and clinics has proved invaluable in assuming the tennis center duties.

In addition to summer tennis activities, Burroughs' broad tennis interests and concern for the development of the game is expressed by his serving as vice-president of schools and colleges for Mid-Atlantic Tennis Association and the Maryland Tennis Association. He rates as a USTPA "Professional."

Burroughs is an associate professor in the Department of Physical Education and Health. He and his wife Roseanne have four children: Kevin, 12; Melanie, 10, Timothy, 4; and Michael, 1.

TERRY VAN LAYTON begins his second season as assistant men's tennis coach at SSC.

A 1979 graduate of Salisbury State (B.S., Liberal Studies), Layton was a three-time letterman on the Sea Gull tennis squad, highlighted by the 1977 campaign when he teamed with Bill Hyle to gain all-American status. A year later, Layton was named Sea Gull MVP by his teammates.

A Salisbury native, Layton is married to the former Caryn Shave, also a SSC netter.
